Please contact Kingsway at 856-545-0800 not later than 8:15 if your child will be absent on any given school day. If we do not receive a phone message, please be aware that we will call you to confirm that your child stayed home.

Parent Pick Up

Please notify Kingsway **and the bus company** in writing (email or note) if your child is not going home on their regular bus route. If Kingsway does not receive written notification and/or you do not appear at school prior to the normal departure time, your child will be placed on their bus as normal.

Alerts and Notifications

All important informational alerts are sent both through our regular email system and the Honeywell Alert system. We strongly encourage parents to notify Administration of email and phone updates as well as keeping their Honeywell Alert notification email and phone information up to date. For registration and update process please go to **<https://instantalert.honeywell.com>** If you need help with Honeywell please do not hesitate to email Administration at **info@kingswaylearningcenter.org** for assistance.

Alerts and Notifications are also posted to our various social media websites.

Inclement Weather

Kingsway will notify parents and guardians via the regular email system and Honeywell Alerts for all school closings, late openings or early dismissals, etc. We also post to all major news outlets. (We have found that Channel 6 tends to post the alerts more quickly than do the other outlets.)
