Dear Friend,

I am excited to invite you to join us at Framing Our Future 2024, the third annual art auction fundraising event to support Kingsway Learning Center and Services. We eagerly anticipate this event each year, and the opportunity to celebrate the creativity and artistic expression of individuals across Kingsway's programs. Like the past two years, the event will feature an art auction, live entertainment, open beer and wine bar, and hors d'oeuvres. New this year, we will host a live auction event as well!

We look forward to seeing you at our Voorhees campus on June 6, 2024 at 6:00pm. Ticket and sponsorship information is included here for your review, and can also be found on our website at <https://kingswaylearningcenter.org/framing-our-future/>. Your sponsorship support provides the resources needed to offer the very best programming at Kingsway for students and adults with intellectual and developmental disabilities. Sponsorship also includes marketing opportunities for your organization, reaching a variety of audiences within the South Jersey community. If you have any questions, please contact Darleen Blesi at 856 545 0800 ext 6007 or dblesi@kingswaylearningcenter.org.

Children and adults of all ability levels and interests deserve the opportunity to explore their independence, develop new skills, and socialize with peers. At Kingsway, we are working to ensure that our programs and the individuals who rely on us every day have a bright future. We look forward to celebrating the partnerships and relationships that will be the foundation of that strong future on June 6.

Thank you for your ongoing support of Kingsway's students and young adults. We are grateful for you, and look forward to seeing you at Framing Our Future in June!

With gratitude,

Rachel Chan
Chief Executive Officer
